

Children's Cancer Connection Empowering Scholarship

Since 1988, Children's Cancer Connection has connected families affected by childhood cancer by providing opportunities that encourage relationships and strengthen community. Thanks to generous donors, Children's Cancer Connection is honored to provide scholarships to students for furthering their education.

Eligibility to Apply

- Applicant must be directly affected by childhood cancer. (This includes individuals who currently have or have had cancer before age 18 or a sibling of that individual.)
- Applicant must be within the Children's Cancer Connection service area. (Living, treated or diagnosed in the state of Iowa)
- Applicant must be a graduating high school senior planning to attend an accredited two- or four-year educational institution (trade school, college or university) OR be a student currently enrolled in post-secondary education.

Application Requirements

- Completed application with one 750 word (minimum) essay
Previously submitted essays will not be accepted. New essays must be submitted each time.
- Two letters of recommendation from school, medical or business professionals, dated no more than six months prior to application submission

Additional Information

- The application period is Nov. 1 through Jan. 31.
- Applicants will be notified by early March, and scholarship awards will be sent directly to the institution listed on the application in two installments of equal value – half for the subsequent fall semester and half for the spring semester. A confirmation email will be sent after awarded funds are provided to the institution of choice.

Applications are due Jan. 31.
