

JOHN DEERE

SINCLAIR

TRACTOR

JDTECH ADVANTAGE

TOTAL PROGRAM VALUE*

\$28,000

Sinclair Tractor is pleased to offer individuals who wish to pursue a career as a John Deere Certified Technician, the opportunity to do so knowing they will have a full-time job waiting for them when they graduate.

The John Deere TECH Program at Northeast Iowa Community College trains students in engines, fuel systems, transmissions, electrical, hydraulic, and precision ag technology.

WHAT TO EXPECT

Study is offered on a rotational basis with in-class study on campus at Northeast Iowa Community College (NICC) in Calmar, Iowa and paid on-the-job training at a Sinclair Tractor location.

TOOLS: All Tools required for the program and a professional mechanics toolbox will be supplied by Sinclair Tractor. Both will become the property of the student upon satisfactory completion of the Sinclair Tractor JDTECH Advantage Program.

TUITION REIMBURSEMENT: Reimbursement begins after graduation from NICC. Full reimbursement is achieved after 36 continuous months of employment.

\$1,000 contribution to your high school FFA Chapter for graduating high school FFA members.

*Tool value is based on 2022 market value and is subject to change as prices fluctuate. Tuition reimbursement value is based on enrollment for Fall 2022 and is subject to change. Tuition reimbursement will be paid out over a 36-month period, so long as employment with Sinclair Tractor is maintained. Scholarships received through the Iowa Nebraska Equipment Dealers Association will reduce the actual payout amount, but not the value.
