

## **2025 Iowa State Elks Association Vocational Grant**

The Iowa State Elks Association is pleased to offer twenty (20) \$1,500.00 Vocational Grants to individuals pursuing a vocational (2-year or less and/or less than a bachelor's degree) training/educational program. These grants are open to current high school seniors or any non-traditional student (second career, etc.) pursuing such a program at an accredited school. **These grants ARE NOT intended for students who will pursue a 4-year course of study eventually leading to a bachelor's degree; this includes students attending a community college with the intent of continuing onto a four-year degree program. Applications received for persons ultimately pursuing a 4-year course of study will be disqualified from consideration.**

**WHO MAY APPLY:** Any prospective student (male or female), residing within the jurisdiction of a B.P.O. Elks Lodge belonging to the Iowa State Elks Association (iowaelks.org) who plans to pursue an eligible educational program above and supplemental to high school or preparatory school level, may file an application. All applicants must be citizens of the United States of America on the date the application is filed. This application must be filed with the Lodge Scholarship Chairman, Exalted Ruler, or Secretary of the B.P.O. Elks Lodge having jurisdiction in the area in which the student has legal residence, on or before March 4, 2024. **Only one** application may be filed and must be filed with the Lodge of Jurisdiction. No applicant may receive more than one (1) Iowa State Elks Association Grant in any one year.

**A STUDENT MUST ENROLL IN A FULL TIME PROGRAM** in an accredited institution of furthering education. This grant is to be used only during the 2025-2026 academic year. A student may apply for a second-year grant. No student may be awarded more than two (2) grants.

**ALL GRANTS ARE IN THE FORM OF CERTIFICATES OF AWARD** issued by the Iowa State Elks Association, conditioned upon the enrollment of the student in an accredited institution of their chosen career path. Upon receipt of the "Student Enrollment Verification Form" completed by the proper school officials and affixed with the school's seal and student identification number, an Iowa State Elks Association check in the amount of the scholarship will be forwarded to the school to establish a credit for the student for the 2025-2026 academic year. *Payments may not be used to cover retroactive charges.*

**THIS GRANT MAY BE USED FOR** tuition and fees, room and board (only if living on campus), and books and supplies and only for usual and required costs of the applicant's planned course of study. This Grant **MAY NOT BE USED FOR** child-care costs, part-time study or correspondence courses. It may not be used for general living expenses, rent, mortgage payments, automobile expenses for use or maintenance of a vehicle.

**APPLICANTS ARE EVALUATED** based on the information herein. Therefore, if, after being notified of a Grant, course of study and/or school attending change, the Grant may be withdrawn.

**INCOMPLETE APPLICATIONS** will not be considered for assistance. It is imperative all information be set forth, especially information as to your costs to attend your chosen course, so we may evaluate your needs.

**APPLICATIONS WHICH ARE NOT ENDORSED** by an authorized Elks Lodge of the Iowa State Elks Association (iowaelks.org) will not be considered for potential awards.

**APPLICANTS WILL BE NOTIFIED BY MAY 15, 2025**, as to whether or not they are to receive one of our Grants.
